Oulton Sofa Armless

The Oulton Sofa is influenced by the early 2010s popular design piece in contemporary interiors. One of its key features is the ultra comfort it offers from the overstuffed feather and down cushions. It is designed to create a feeling of sinking into a cloud, inviting to slow down, stretch out, and stay a while.

MATERIALS:

Cushions:	High-resilience foam core wrapped in feather-down blend
Fabric:	Stain-resistant linen
Finish:	Colorfast, anti-pilling surface
Frame:	Naturally rot-resistant Merbau wood; no chemical treatments applied

FEATURES:

Engineered Comfort:	Built for daily lounging with lasting support
Eco-Friendly:	Crafted from non-toxic materials, safe for all ages
Stain Resistant:	Fabric resists spills and liquids
Durability:	Abrasion-tested, snag-resistant for long life
Family Safe:	Suitable for pets and kids
Removable Covers:	Machine-washable slipcovers for easy care
Secure Modules:	Modular sections connect easily and stay in place
Assembly:	Minimal assembly required

DIMENSIONS:

Classic Armless Module:	40.2 W x 40.2 D x 34.6 H inches
Luxe Armless Module:	44 W x 45 D x 34.6 H inches
