Wedge Coffee Table

Born from the refined minimalism of contemporary Japanese design, the Wedge Coffee Table captures a perfect balance of lightness and geometry. Its sculpted glass legs, shaped like tapered wedges, support a clear tempered glass top that seems to float in space. Transparent yet bold in form, it brings an elegant architectural presence to modern interiors while maintaining an open, airy atmosphere.

MATERIALS:

Tabletop:	12+8 mm laminated, tempered, beveled glass with extra-clear top layer
Mounting:	Precision-drilled glass sheets with integrated plates
Legs:	Satin or polished stainless steel
Glides:	Protective ABS glides

FEATURES:

Iconic Design:	Distinctive wedge-shaped legs create a sculptural presence
Glass Craftsmanship:	Thick tempered glass ensures durability and visual clarity
Stable Support:	Stainless steel base provides strength and balance
Versatile Placement:	Ideal for modern living, office, or hospitality settings
Assembly:	No assembly required

DIMENSIONS:

Table:	53.1 L x 53.1 W x 12.0 H inches
Weight:	18 lbs
Package Dimension:	54.1 L x 54.1 W x 13.0 H inches
