PK61 Coffee Table

Loved for its minimalist and futuristic look, The PK61 coffee table draws the legacy of a design classic in the 1950s. The visual of a very clean, low, and geometric table lends a more industrial feels, but still versatile. It works well in minimalist interiors, Scandi settings, or lofts and lounges.

MATERIALS:

Top:	Tempered glass
Frame:	Satin-brushed stainless steel
Joinery:	Precision-engineered metal joinery
Finish:	Polished, corrosion-resistant surface

FEATURES:

Gravity Top:	Glass top is secured by gravity, no adhesives
