Hortensia Chair

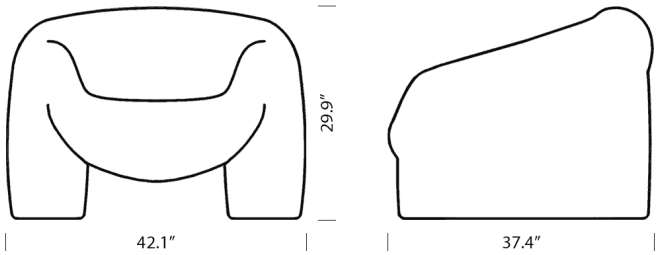

Born from the digital design revolution of the late 2010s, the Hortensia Chair transforms virtual imagination into physical comfort. Its signature petal-like upholstery, made up of thousands of soft, overlapping forms, evokes the lush texture of blooming hydrangeas. Both sculptural and inviting, the chair blurs the line between art and furniture.

MATERIALS:

Upholstery:	Signature laser-cut petal fabric, over 30,000 petals
Frame:	Durable metal structure
Cushion:	Multi-foam padding for plush comfort
Material Details:	Curves and texture inspired by real hydrangea flowers
