Julep Armchair

Inspired by the 1950s notable design movement, the Julep Armchair blends simplicity and grandeur with a romantic, contemporary allure. This armchair has the iconic rounded lines to create an enveloping and cozy seating experience. The recessed base adds an unexpected lightness, lifting the design effortlessly off the floor while maintaining a full and inviting silhouette. Perfect for residential and commercial spaces, the Julep Armchair brings a touch of artistic refinement to any room.
