Assembly Instructions

Ready to Use

- Your Ducaroy Loveseat arrives fully assembled — no tools or setup required.

Foam Recovery:

After unpacking, allow 12–24 hours for the foam to fully expand and regain its shape.

Placement

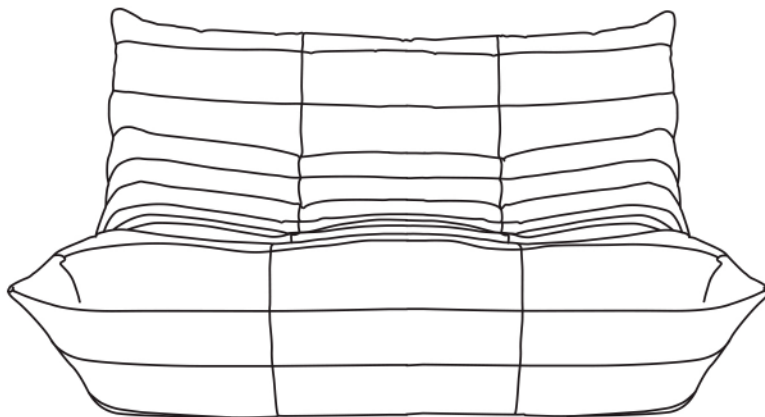

- Place on a flat, clean surface. Let it rest for a few hours so the foam regains its full shape after unpacking.

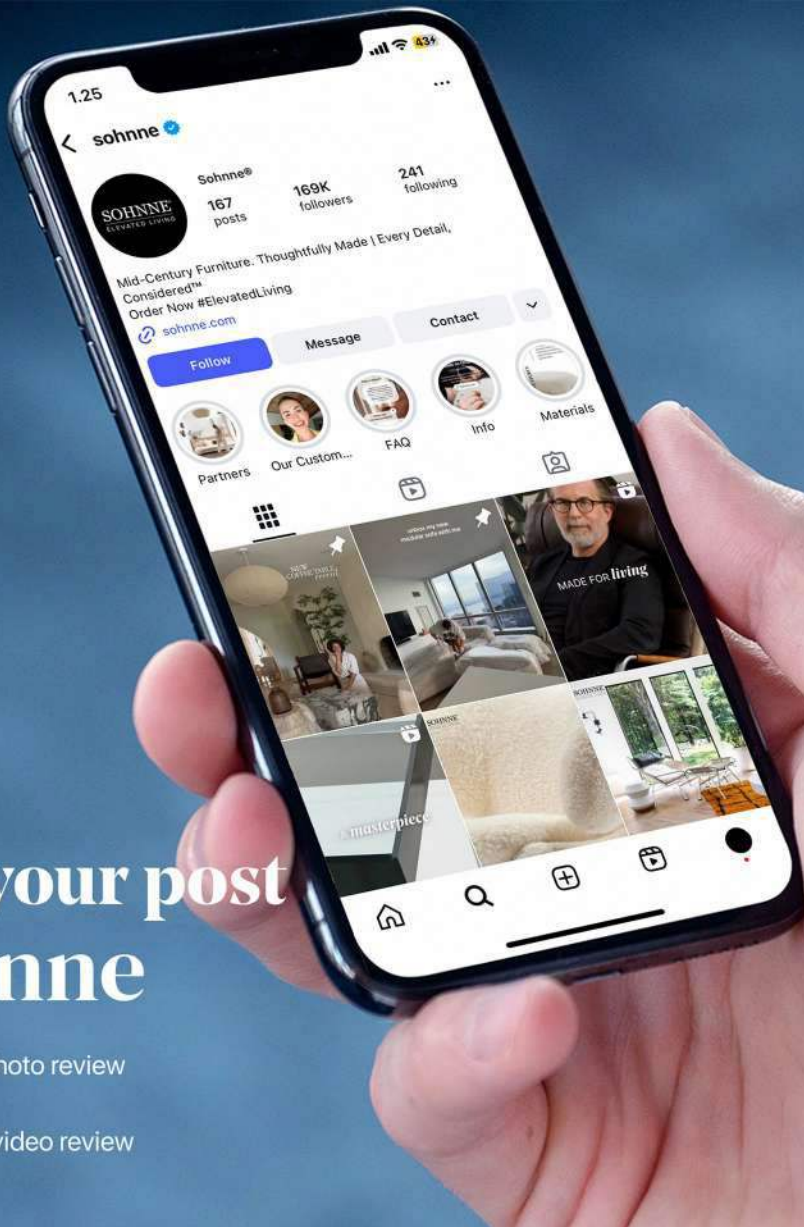

Use

Sit gently and allow the foam to contour to your body. Avoid standing or jumping on the chair.

Care

- Vacuum fabric covers regularly.
 - Wipe leather with a damp cloth and dry immediately.
- Keep away from heat, sunlight, and moisture.
