# Chandigarh Easy Chair

The Chandigarh Chair is a reinterpretation of mid-century modern icon from the 1950s that continues to hold deep cultural and design significance. It beautifully features a hand-woven cane seat and back which is a traditional Indian craft. Constructed from tropical-friendly teak, it offers lasting durability and understated versatility, all while embodying a sense of cultural authenticity.

## MATERIALS:

|              |   |
|--------------|---|
| Frame:       | Solid teak wood                                     |
| Seat & Back: | Hand-woven natural rattan cane                      |
| Finish:      | Moisture-resistant, eco-friendly, non-toxic surface |
| Joinery:     | Japanese bridle joints                              |

## FEATURES:

|                        |   |
|------------------------|---|
| V-shaped Compass Legs: | Signature detail that maximizes comfort and support |
| Wide Armless Seat:     | Provides a relaxed, open seating experience         |
| Lightweight:           | Easy to reposition without sacrificing sturdiness   |
| Tight Rattan Weave:    | Holds shape and remains supportive over time        |
| Iconic Silhouette:     | Blends seamlessly with any decor style              |
| Assembly:              | Minimal assembly required, tools included           |

## DIMENSIONS:

|                    |                             |
|--------------------|-----------------------------|
| Chair:             | 21.5 W x 29 D x 30 H inches |
| Seat Height:       | 14.6 inches                 |
| Weight:            | 70.5 lbs                    |
| Package Dimension: | 22.5 W x 30 D x 31 H inches |
