Elvin Leather Recliner and Ottoman

First time introduce in 1982, Elvin Leather Recliner reflects the era's shift toward modern European sophistication. It's ergonomic, sculptural, and deeply comfortable. Structurally crafted from genuine American wood and solid metal, it's upholstered in 100% premium aniline leather that grows richer with time. High-density memory foam supports every contour, while the smooth swivel base and one-touch recline move effortlessly with you. Paired with its matching ottoman, it remains a timeless expression of comfort and craftsmanship.
