Fritz Sideboard E2

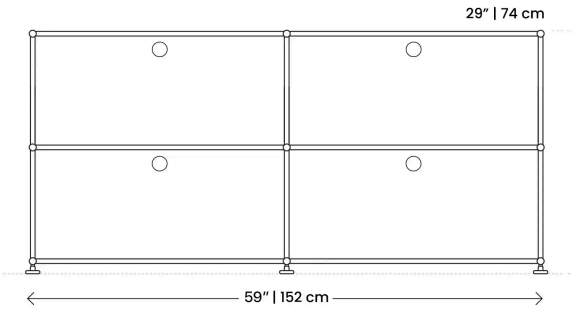

Rooted in the precision and clarity of 1960s Swiss design, the Haller Sideboard E2 embodies the Bauhaus ideals of function and simplicity. Its chrome-plated steel frame, powder-coated panels, and modular structure offer enduring strength and versatility. Designed to adapt effortlessly over time, it serves as a timeless media console that blends architectural form with everyday practicality.

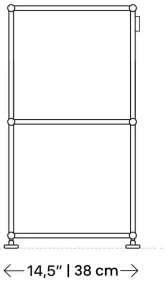

MATERIALS:

Panels:	Powder-coated steel by Interlübke
Frame:	Polished chrome tubular steel
Hinges:	High-quality and precision steel hinges
Joints:	304 corrosion-resistant stainless steel ball joints
