Pantelleria Bar Cabinet

Designed as functional décor with real wow factor, the Pantelleria Bar Cabinet pairs a glossy lacquered wood frame with rich brown and black gradient tones, elevated on a bronzed metal base. At the top, the layout is intelligently divided into three zones: an open mirrored display shelf at center and two side compartments behind doors. Inside, everything is organized for hosting, with crystal shelves, leather lined drawers, interior lighting, and a mirrored back that amplifies the glow and makes every bottle look intentional.
