Togo Fireside Sofa

The Togo Fireside Sofa carries forward the influence of 1973's classic design piece. With no rigid wood or metal internal frame, this sofa is built entirely from layers of foam to give the soft, body-hugging and sink-in comfort. The low seat height and all-foam build gives it a casual, informal lounging quality that many people find very relaxing.

MATERIALS:

Upholstery:	Premium fabric by Kvadrat™
Cushioning:	Multi-density foam comfort
Base:	Non-slip fabric bottom with floor-safe glides
Inner Frame:	Frameless all-foam build
Finishing:	Hand-stitched pleats for iconic folds

FEATURES:

Pleated Sides:	Hand-stitched pleats define Togo's sculptural folds and iconic silhouette
All-Foam Build:	Molds to your body for deep comfort
Ergonomics:	Low seat height and sloped back for full-body support
Rebound Foam:	Maintains structural integrity and bounce under continuous pressure
Usage:	Ideal for lounge areas, reading corners, or statement living spaces
Assembly:	No assembly required

DIMENSIONS:

Overall:	78 W x 40 D x 27 H inches
Seat Height:	15 inches
Weight:	46.3 lbs
Package Dimension:	69 W x 41 D x 28 H inches
